## SOCAN & RE:SOUND FEES

SOCAN” and “RE:Sound” are fees implemented by the Government to compensate recording artists and recording companies when music is played. SOCAN ensures songwriters, composers and music publishers continue to own the song. It is their intellectual property. Re:Sound is a fee that ensures the company still owns the physical recording of a song. It is important to note that SOCAN is responsible for both LIVE and RECORDED music whereas RE:Sound covers solely recorded music. These fees are mandatory to anyone wishing to play music at an event.
